

Dear Mu'mineen,

If for any reason you may need to take your child/children home EARLY from Madrasah, you MUST please inform the teacher concerned AND the ADMIN STAFF, so that they may record that your child has left and is no longer in the building.

This is of utmost importance especially if an emergency arises, e.g. in the case of a fire, where ALL the children must be accounted for.

Thank you for your cooperation in this matter.
